Conversation in the Language of Flowers
-Black Lily-

Ume Maru

The reason my gift feels heavy is not that I've become weak or something like that...

The wedding of my classmate from when I was in a women's college

CHATTER

I know, mine too! This is the third year they've asked me.

My parents keep bugging me to get married.

CHATTER

It's the gloom I feel knowing that they're going to include me into this talk about marriage that weighs me down.

How've you been doing in that regard, Chika-senpai?

Eh...?!

Ba-thump...

Ume Maru

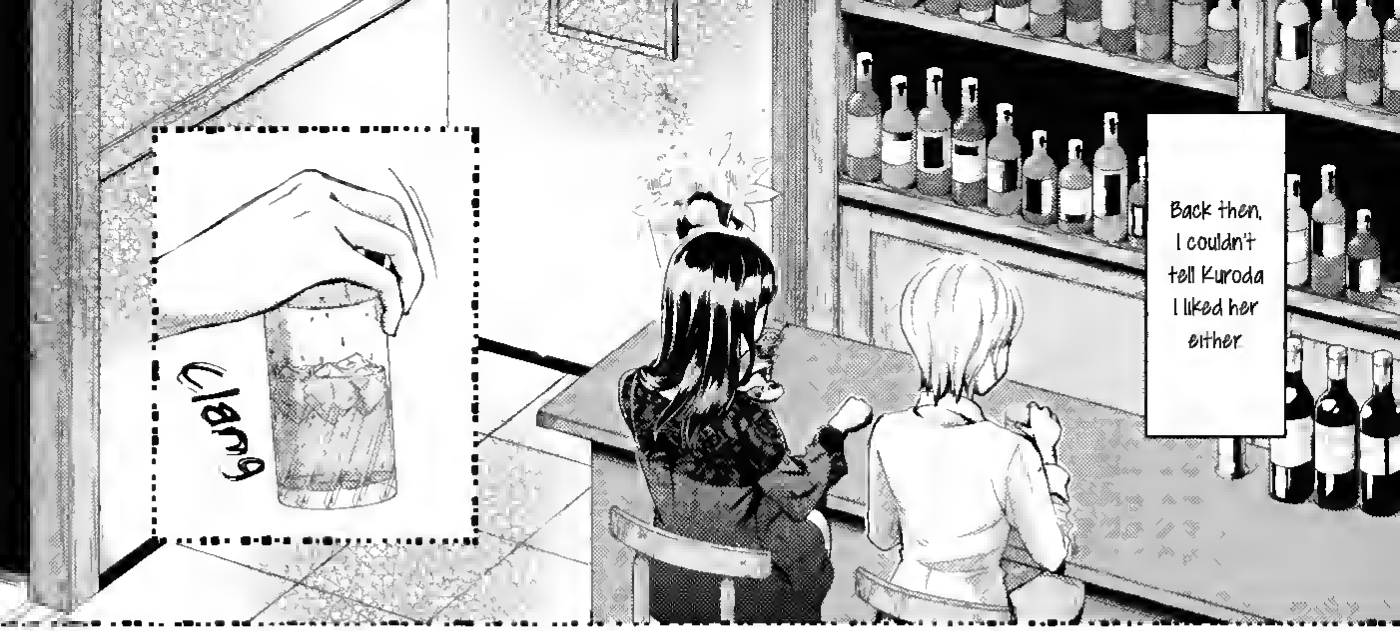
Really? So are you two living together?
Ah, no... Just, you know, living alone.
Oh... But something like copying apartment keys, then?
Ah... Yeah...

You had someone when you were in university right? Is that still on?
Uhm... yeah?!

Ah, that's because I met Kuroda the other day...
It came up in conversation.
Gulp

You sure remembered my love life well...!
Hihah

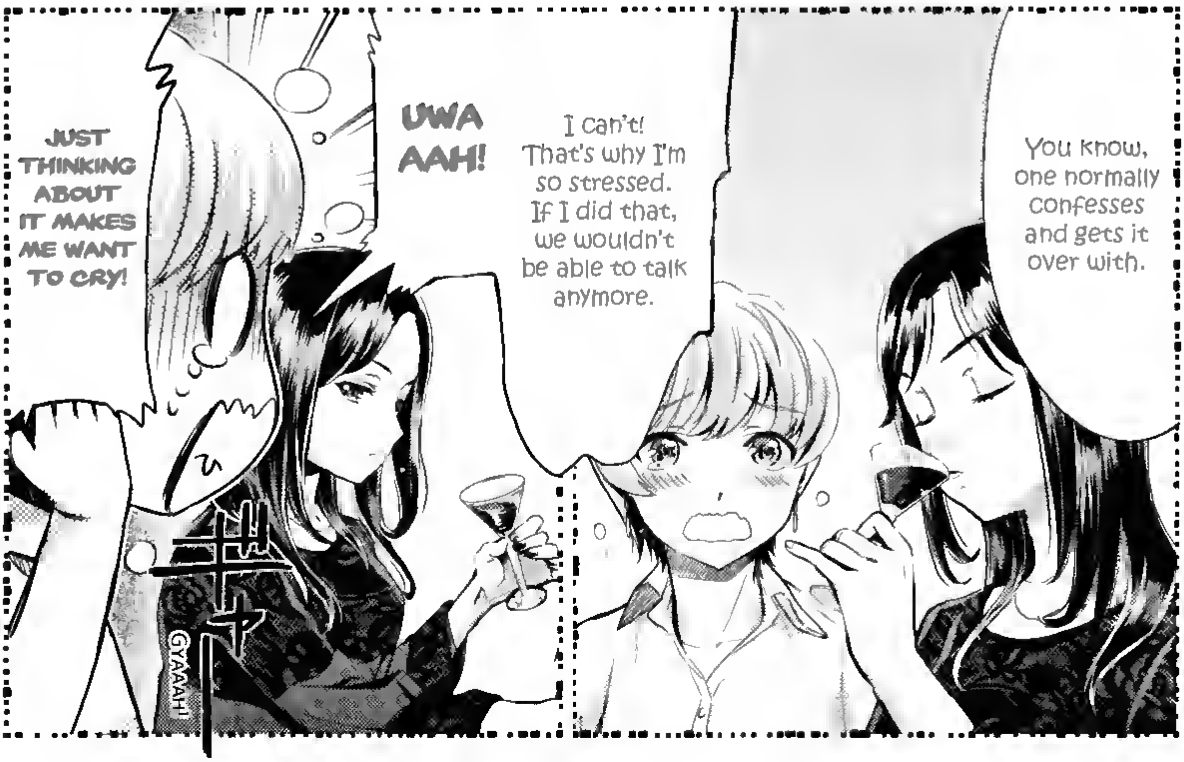
Who is my lover
I... I can't tell them... That it's Kuroda...
MONOTONE
MONOTONE
Ah... Yeah... You know it kind of just... went that way.
Hasn't it been quite a while since you graduated?
Eeh? Chika, you're still friends with Kuroda?



Clang
Back then, I couldn't tell Kuroda I liked her either.

The side effect is dry skin though.
And...

Chika-san, you've drunk too much.
It's fine! Alcohol cures my love sickness.
Hiccup



You know, one normally confesses and gets it over with.
UWA AAH!
I can't! That's why I'm so stressed. If I did that, we wouldn't be able to talk anymore.
JUST THINKING ABOUT IT MAKES ME WANT TO CRY!
GYAAAH!

Anyone oblivious to your charm, you can beat the crap out of as far as I'm concerned.

Uuuhuu- I can't believe I've been found out
Oh no...
Now, I told you to do something...
Confess and get it over with.
Chika-san, you're completely red
You drank too much

It's been four years since then.
Kuroda is about to graduate
My former classmates are getting married.
They're entering new settings
And we?

By the way,
Has Kuroda found a job yet?
Uh.
She wants to go to a graduate school, she has to pass the exam now.
Ahh!
That reminds me, when we met she told me she passed an exam!

...What?
Recently it felt like she was being a little distant
I thought it was normal with her being busy studying.
BUT... THAT WASN'T THE CAUSE...?

I was waiting for you. I held back, not wanting to interfere with your studies...
Is it that you want to break up with me?
...Chika-san?!
You've grown tired of me, haven't you?
crying
I'm too afraid to tell anyone. We can't get married.
There isn't a future for us...

What kind of frightening stuff is the alcohol making you say...?
CHIKA-SAN!!
...Now calm down. I'll explain.
sob...
Sorry for keeping quiet about passing the exam.
The university is nearby here, so it was hard to break it to you.
Huh? What does that have to do with anything?!
BE-CAUSE IT MEANS...
I WANT TO PRO-POSE...

AND LIVE TO-GETHER!
